**Riingo to serve Obama's State Dinner**

Posted in [Eat Out](#) by [Eat Out](#) on December 8th, 2009 at 12:29 pm

Let us show you to your table. We can't promise you White House arugula, but if you've been curious about what [Marcus Samuelsson](#) fed President Obama and his crew at that state dinner, you'll soon get a chance to taste it. Chef Jimmy Lappalainen—who helped Samuelsson create the menu for last month's political soiree—will be serving a re-creation of the three-course first meal at [Riingo](#). Feast like the political elite with dishes such as potato eggplant salad, red lentil soup and green-curry prawns. Dinner's from December 14 to 20, and will only set you back \$45. Reserve now—unless you're a party crasher, that is.—*Julia Fleming*
